hospital leaders, distributors and healthcare decision makers
from across Africa.

 **Egypt International Exhibition Center**

 **22-24 June 2027**

Under the patronage
H.E. President Abdel Fattah El-Sisi

AFRICA HEALTH EXCON 2027

Africa's healthcare market is growing. Make sure your business grows with it.

Africa's healthcare sector is undergoing unprecedented transformation, driven by increased government investment, expanding healthcare infrastructure and a growing focus on local manufacturing and procurement.

Africa Health ExCon is the continent's only government-backed healthcare exhibition, bringing together policymakers, procurement authorities, healthcare providers and global suppliers to accelerate healthcare trade, innovation and investment.

Held under the patronage of the Government of Egypt and co hosted by Africa CDC, the event provides exhibitors with direct access to the organisations shaping healthcare purchasing across Africa.

Why healthcare businesses choose Africa Health ExCon

Whether your objective is to find distributors, enter new markets, launch new products or strengthen relationships with healthcare buyers, Africa Health ExCon provides the platform to achieve your business objectives.

As Africa's only government-backed healthcare exhibition, the event connects exhibitors with public and private sector decision makers responsible for healthcare investment, procurement and innovation across Africa.

Exhibiting helps you

- ▶ Meet government procurement authorities
- ▶ Connect with hospitals & healthcare groups
- ▶ Find distributors across African markets
- ▶ Build relationships with regulators
- ▶ Launch products to qualified buyers
- ▶ Generate new business opportunities
- ▶ Strengthen your presence across Africa
- ▶ Expand into new markets faster

Meet the people shaping healthcare across Africa

Africa Health ExCon attracts senior decision makers from across the healthcare ecosystem, creating opportunities to build meaningful relationships with the organisations driving healthcare across the continent.

Who you'll meet

- Government procurement authorities
- Ministries of Health
- Hospital groups
- Healthcare providers
- Distributors and agents
- Healthcare importers
- Regulators
- Pharmaceutical manufacturers
- NGOs and development partners
- Healthcare executives
- Investors
- International organisations

Where Africa's healthcare future is shaped

Africa Health ExCon is where governments, healthcare leaders and industry come together to create partnerships that strengthen healthcare systems and accelerate healthcare trade across Africa.

Major outcomes from 2026

- **Egypt became the first African Union Member State to join the African Pooled Procurement Mechanism (APPM).**
- **Cairo was announced as the operational headquarters for the APPM.**
- **Two strategic MoUs signed between UPA and Africa CDC in the presence of the Prime Minister.**
- **Africa CDC's first APPM tender achieved procurement prices 30–90% below previous member state benchmarks.**

Explore the exhibition

Voices of healthcare leadership

//

ExCon reflects Egypt's vision to strengthen African health sovereignty and position the continent as a hub for healthcare innovation, manufacturing and trade. It is a strategic platform for partnerships and technology transfer.

Dr Khaled Abdel Ghaffar

Minister of Health and Population, Egypt

//

Africa Health ExCon has become a leading platform for dialogue, cooperation and strategic partnerships, bringing together governments, international organisations and private sector stakeholders to accelerate healthcare investment across Africa.

Dr Hisham Stait

Chairman, Unified Procurement Authority

//

Africa Health ExCon has evolved into a major regional and international platform, bringing policymakers and healthcare industry leaders together to shape the future of healthcare.

Dr Ali El Ghamrawy

Chairman, Egyptian Drug Authority

//

Africa Health ExCon is more than an event. It is an opportunity to strengthen collaboration, expand local manufacturing and build a more resilient healthcare future for Africa.

Dr Jean Kaseya

Director General, Africa CDC
