WELCOME LETTER

Dear Healthcare Professional,

It is with great pleasure that I welcome you to the Saudi Health Congress 2016.

On our fourth edition of the congress, I am pleased to offer you a selection of 15 CME accredited conferences, featuring more than 150 experts from across the region and the globe. This congress is under the patronage of the Ministry of Health allowing us to put together a set of robust and educational conference programmes.

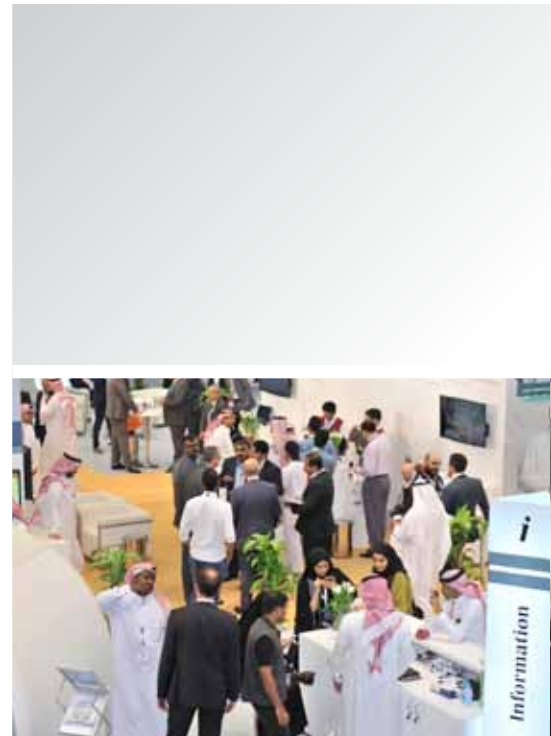

This year's event has expanded to bring new conferences into the arena to allow for more discussion and expansion into the field of healthcare in Saudi Arabia, with the overall theme of 'Healthcare Transformation in Saudi Arabia' running through all the conferences.

Thank you and we wish you a rewarding education experience at Saudi Health Congress 2016.

Best regards,

Dr. Ali Zailae
Congress President

GENERAL INFORMATION
