## Show timings.

Monday <b>28</b> January 10am - 6pm	Tuesday <b>29</b> January 10am - 6pm	Wednesday <b>30</b> January 10am - 6pm	Thursday <b>31</b> January 10am - 5pm
--	---	---	--

Admission to the exhibition is for trade visitors and conference delegates only.

## Collect your badge early.

Collect your visitor badge early to avoid the queues during the show days

Friday, 25 January: 9am - 6pm  
Saturday, 26 January: 9am - 6pm  
Sunday, 27 January: 9am - 6pm

Early delegate badge collection will only be from 1pm - 6pm on Sunday, 27 January.

## How to get to the exhibition.

Parking is limited and we recommend you use alternative transport to the show.

**P** **Parking:** There are very few parking options around the venue, so wherever possible we would strongly recommend using one of the above options to avoid long queues.

Car Parks 1A, 1B & 1C are free of charge and located off 312th Road, close to the Convention Gate / Novotel entrance, as well as additional parking near the Za'abeel Hall entrance.

There are two Multi-Storey Car Parks which have a nominal parking fee per hour and are located behind Sheikh Rashid Hall Sheikh Maktoum Hall and also next to Sheikh Rashid Tower (close to Hall 1).

**Please note:** Vehicles are not allowed to park overnight. Any vehicle left overnight will incur a penalty fee and DWTC reserves the right to remove all vehicles remaining in the car park after the permitted 24-hour period

**Metro:** Take the red line metro route to the Dubai World Trade Centre Metro Station. The metro operates from Saturday to Wednesday from 05:50 - 00:00, Thursday from 05:30 - 01:00, and Friday from 10:00 - 01:00. Visit [www.rta.ae](http://www.rta.ae) for more information.

**Taxis:** The official Dubai Transport Taxis can be recognised by their cream colour and will charge you by the meter. Ladies-only taxis are also available. To book a taxi call +971 4 2080808. Taxi pick-up is available at the venue next to the Ibis Hotel. RTA VIP taxis will be available from Trade Centre Arena & Hall 1 Entrance.

**Shuttle Buses:** Several hotels in Dubai will offer shuttle buses to Arab Health. Please check with your concierge.

### MEDLAB Extend your stay

The world's largest laboratory exhibition and congress takes place the week after Arab Health. Don't miss **MEDLAB** from **4 - 7 February 2019**.  
[www.medlabme.com](http://www.medlabme.com)

**NOTE:** The information provided within this Pre-Show Planner is accurate as of **12 December 2018**. The planner will be updated within **mid-January** for the most up-to-date information before the show.

For more information or to update an entry, please contact [ahmarketing@informa.com](mailto:ahmarketing@informa.com).

# What's happening at Arab Health 2019.

## Explore innovation.

New for 2019, Arab Health is bringing the **Innovation Hub**. A showcase area for SME's, start-ups and innovators to exhibit their innovations to the healthcare community. Visit the Plaza area.

View more information here:

[www.arabhealthonline.com/innovation](http://www.arabhealthonline.com/innovation)

## Hear. Learn. Discover.

**The Innov8 Talks**, taking place in the new Innovation Hub will host 8 pitches, 8 minutes long, across each day of Arab Health. With a dedicated theme revolving around innovation in healthcare, the judging panel will determine the best pitch at the end of each day.

View the latest sessions:

[www.arabhealthonline.com/talks](http://www.arabhealthonline.com/talks)

## Training & workshops.

The training and workshop programmes at Arab Health are brought to you by the leaders in the healthcare industry. These sessions will focus on advanced techniques of the latest state-of-the-art equipment across different modalities such as Safety Innovations in the OR, Ultrasound - Liver and Ultrasound MSK & Small Parts and many more.

Workshops conducted by:

**Ansell**

**Canon**  
CANON MEDICAL

**Healthcare**  
Gruppo San Donato

**Medtronic**

**Istituto Clinico**  
Sant'Ambrogio

View the workshops

More workshops will be announced on:

[www.arabhealthonline.com/workshops](http://www.arabhealthonline.com/workshops)

# New conference venue - Conrad Dubai.

Arab Health continues to grow, using the Conrad Dubai, which is a perfect location as it is opposite the Dubai World Trade Centre.

Arab Health will use two levels at the Conrad Dubai to host the Total Radiology Conference on Level 2 and Obs & Gyne Conference on Level 4.

## Total Radiology.

**Monday, 28 January:** 8:00 am - 6:30 pm  
**Tuesday, 29 January:** 8:00 am - 6:15 pm  
**Wednesday, 30 January:** 8:00 am - 6:00 pm  
**Thursday, 31 January:** 8:00 am - 5:45 pm

Exhibitors showcasing their innovations include:

# Total Radiology Conference.

## Key topics

- Leadership lectures to improve radiology practice management
- Oncologic radiology
- Practical updates for radiographers
- Paediatric imaging
- Breast imaging

## Benefits of attending

- Analyse tips on how the experts conduct accurate diagnosis in oncologic imaging
- Examine the impact of new initiatives to prevent occupational exposure in radiology
- Identify how to translate academic research into evidence-based diagnostic radiology
- Evaluate how to reduce radiation while maintaining good image quality with different modalities
- Review pearls and pitfalls to diagnose and examine cases more efficiently and quickly

Visit the Total Radiology exhibition at the Conrad Dubai to explore specialised products and services.

## Obs & Gyne.

**Monday, 28 January:** 8:00 am - 6:00 pm  
**Tuesday, 29 January:** 8:00 am - 6:00 pm  
**Wednesday, 30 January:** 8:00 am - 5:40 pm  
**Thursday, 31 January:** 8:00 am - 4:30 pm

Exhibitors showcasing their innovations include:

# Obs & Gyne Conference.

## Key topics

- Recurrent miscarriages: recent guidelines in management
- New FDA warning against vaginal rejuvenation
- Controversial foetal ultrasound findings: what to do?
- Modern surgical and medical management of endometrial cancer
- Hypertensive disorders of pregnancy: ISSHP Classification
- Twin pregnancy: cases and lessons to learn
- Foetal cardiovascular anomalies: cases and lessons to learn
- Updates in hereditary ovarian and breast cancer
- Complications in laparoscopic surgery: can we avoid?
- Developing practical guidelines in reproductive health
- Debate: Management of unexplained infertility

## Benefits of attending

- Classify vaccines which are indicated in pregnancy for high risk conditions
- Identify and explain the latest trends in research, methods, and technology in the treatment of gynaecologic cancers
- Debate the impact of maternal factors on egg competence for maintenance of early pregnancy
- Discuss the indications, techniques, management and prevention of complications of Urogynaecology surgery

Visit the Obs & Gyne exhibition at the Conrad Dubai to explore specialised products and services.

## How to get to Conrad Dubai.

**Metro:** Take the red line metro route to the Dubai World Trade Centre Metro Station and take the exit 1 Sheikh Zayed Road. The metro operates from Saturday to Wednesday from 05:50 - 00:00, Thursday from 05:30 - 01:00, and Friday from 10:00 - 01:00. Visit [www.rta.ae](http://www.rta.ae) for more information.

**Car:**

### Valet Parking

First 3 hours: AED 60

After 3 hours and above: AED 25/per hour

### Self-Parking (Automotive Parking)

1-6 hours: AED 10/per hour

After 7 hours and above: AED 5/per hour

**Taxis:** The official Dubai Transport Taxis can be recognised by their cream colour and will charge you by the meter. Ladies-only taxis are also available. To book a taxi **call +971 4 2080808**.

### Please note:

Parking is subject to current availability. Terms and conditions apply.

Please note that the Hotel has maximum availability of 250 parking spaces in the main Hotel building. In case the Hotel parking becomes full, cars will be directed to Self-Parking (Automotive Parking), which is subject to additional charges as mentioned above.

# GAZE – DEVICE OPEN MIND

**C-Eye® II PRO**

The only device for the diagnosis and therapy of patients after brain damages based on communication by eyes

**mediContact®**

The device enabling a contact with patients who cannot speak and move their limbs in a hospital environment

## For whom?

**C-Eye II PRO** has been created for:

- immobilized persons after traumatic brain injury
- patients with communication barriers, e.g. after stroke
- children with developmental disorders

**mediContact** has been created for:

- patients with a temporarily or permanently disabled speech organ
- patients in the intensive care units (ICUs)
- patients in the postoperative wards

## Benefits for the users

- the possibility for communication with the environment
- improvement of mind condition and quality of life
- increased a comfort and sense of security

## Where we are:

- Poland • Germany • UK • Russia • USA • China •

## Where we will be soon:

- South America • GCC countries •

# REDUCING RISK DOESN'T TAKE MUCH. IN THIS CASE, JUST A FEW METERS.

You talk, we listen. Because as a hygienist, you have a demanding job that requires skills and nerves. B. Braun supports you with modern dispensing technology. Our dispensers feature a liquid level indicator and a folding bottle for easy disposal. The airless bottle minimizes the risk of contamination. Plus, you have the option to customize the dispenser as well as integrate a smart compliance monitoring system.

Let's make hand hygiene smart: [www.smarthygiene-bbraun.com](http://www.smarthygiene-bbraun.com)

**Atlas Medical LLC** was founded in 1975. Our basic guiding philosophy is to make available the best of solutions by importing and distributing state-of-the-art medical equipment, medical devices and instruments, pharmaceuticals, training and education, throughout UAE. Atlas Medical has a team of experienced dynamic sales, project and service personnel located in Abu Dhabi and Dubai with our offices and service centers to ensure prompt technical back-up services. Our prominent partners include well known global medical device manufacturers with proven track record.

**OUR VISION:** To improve lives with advanced technology that is easy to experience and designed around you.

**OUR PROJECTS:** Solutions for multi-modality multi-departmental turnkey projects including infrastructural development, equipment planning sourcing & financing, site planning and project management. We have substantial experience in healthcare imaging and hospital turnkey projects successfully executed. A combination of world class standards with local experience ensures our projects are executed smoothly. Our experienced and qualified project team is backed by government approved civil electro-mechanical sub-contractors.

**Our prominent Government and Private customers include:** Ministry of Presidential Affairs, Sheikh Khalifa Medical city, Ministry of Health, Health Authority of Abu Dhabi, Corniche Hospital, Mafraq Hospital, Al Ain Hospital, Tawam Hospital, Dubai Health Authority, GHQ Armed Forces, Ministry of Interior, ADNOC, Canadian Specialty Hospital, American Hospital, NMC Group, Prime Medical Group, Saudi German Hospital, Dubai, Fujairah Private Hospital, Al Noor Hospital Group, VPS Healthcare Group, Al Zahra Hospital, RAK ETA Group Hospital, EMAAR Group, DM Healthcare, Gulf Healthcare Pvt. Ltd, Al Khaleej Specialized Hospital, Mediclinic International & Emirates Intl-Al Ain etc.

# 4 TECHNOLOGIES 4 UNIQUE THERAPY OPTIONS

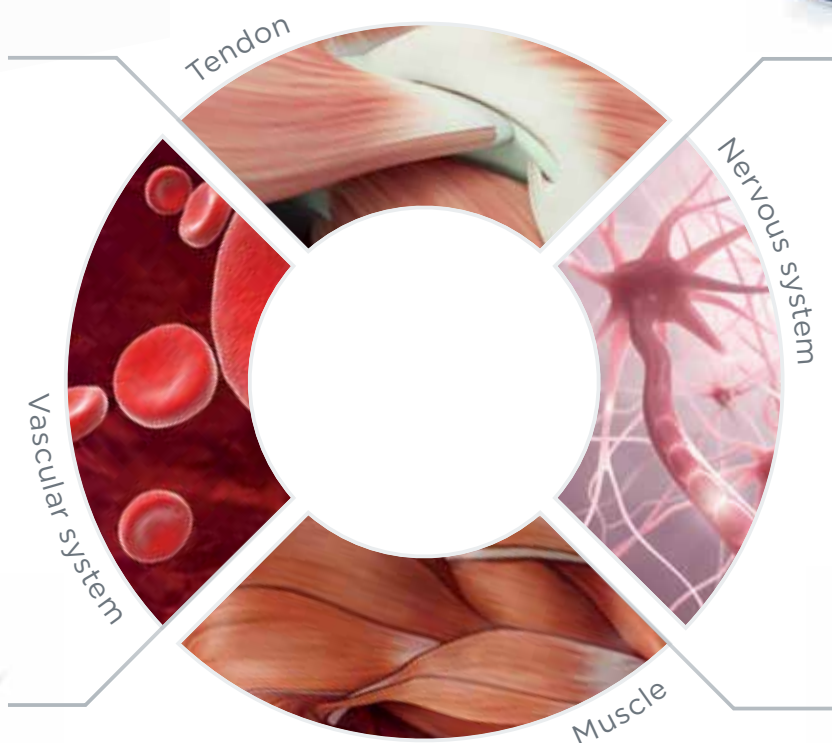

## RADIAL SHOCKWAVE THERAPY

Healing start-up and neovascularization in chronic tendinopathies

## SUPER INDUCTIVE SYSTEM

Joint mobilization and handsfree pain management

## HIGH INTENSITY LASER

Laser biostimulation for acute injuries and painful conditions

## TARGETED RADIOFREQUENCY THERAPY

Thermally induced muscle relaxation and regeneration

# Getinge OR Solutions

At Getinge, we offer equipment, workflow management and clinical therapies that help hospitals and clinicians offer the best possible outcomes for their patients.

**Consultancy  
and workflow**

## Put your project in our hands

Getinge offers complete design concepts that take today's needs and tomorrow's growth into account.

**Room and  
equipment**

## Practice-proven equipment for your OR

As a leading provider of OR equipment, Getinge offers medical solutions that set new standards in quality, functionality and reliability.

**Therapies**

## Improve patient outcomes through advanced technology

Getinge offers a wide range of products for treating acute health conditions.

**Visit us in Sheikh  
Saeed Hall 2,  
Booth B30!**

The **finishing touch**  
for beautiful healing

- A complete line of **scar management solutions** specifically designed for **cosmetic and reconstructive surgery**
- The **ONLY** scar management solution with advanced **Silon Technology**
- **Clinically proven** to prevent and reduce post surgical scars

MADE IN THE USA  
  
 FDA APPROVED

MANUFACTURER  

**Forceval**  
protein powder

**65% HIGH BIOLOGICAL VALUE PROTEIN POWDER**

**+ 23 Vitamins & Minerals**

**FOOD FOR SPECIAL MEDICAL PURPOSES**

For the dietary management of:

- \* Patients with danger of malnutrition
- \* Bone loss, muscle weakness and decreased functional performance

NEW ENHANCED FORMULA  
VANILLA FLAVOUR

**DISTRIBUTORS NEEDED**

*"The Clinical Advantage"™*

# NEW from Biodex Medical Systems, Inc.

PHYSICAL MEDICINE | NUCLEAR MEDICINE & MOLECULAR IMAGING | MEDICAL IMAGING

### Music-Assisted Therapy for the Gait Trainer 3

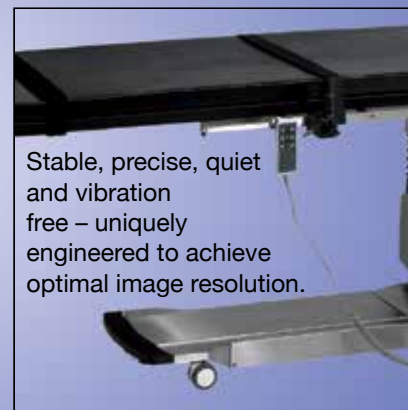

Introducing music to rehab technology for advanced treatment of movement disorders.

### Atomlab 500Plus Dose Calibrator & Wipe Test Counter

Sleek new design and enhanced user experience for the modern technologist.

### Surgical C-Arm Table 840

Stable, precise, quiet and vibration free – uniquely engineered to achieve optimal image resolution.

FN: 18-424 11/18

# SPEARHEADING THE HEALTHCARE INDUSTRY

We are known to many as the complete healthcare solution providers, starting our journey back in 1969.

Over the years we have grown to become the backbone of the healthcare industry, providing comprehensive healthcare facilities of the highest standard.

Our commitment to providing medical marvels through cutting edge technology and innovative solutions is what makes us the industry leaders, making lives better around the Middle East.

## Business Verticals

-  **Medical Equipment**
-  **Pharma & Consumer Healthcare Retail**
-  **Pharma Institutional**
-  **Medical Supplies & Instruments**
-  **Veterinary Health**

**GULFDRUG**  
MAKING LIFE BETTER

Ireland**

## Northern Ireland is transforming lives through science

**This highly innovative region of the UK has a global reputation in this sector with expertise across a range of specialisms, including respiratory products, diagnostics, medical devices and e health, enabling treatments that transform lives.**

Today, researchers and industry are at the forefront of convergent technologies, merging electronics and telecommunications with medical innovations for transforming healthcare.

To know more about Northern Ireland's Life and Health Sciences sector and meet some of its exciting companies, visit the Northern Ireland stand at Arab Health, Hall 7, B30.

 @InvestNI\_IMEA

 Invest Northern Ireland - India, Middle East, Africa

Northern Ireland. Altogether more.

### Did you know?

- Every 5 seconds someone uses a CIGA Healthcare test kit.
- 10% of all cholesterol tests worldwide are made by Randox Laboratories, with the company's products available in over 145 countries.
- Heartsine Technologies, whose customers include the White House in Washington, developed the first portable battery operated defibrillator.
- Northern Ireland is home to 2 of the UK's largest diagnostic companies.

# JAPAN

JETRO

Japan External Trade Organization

## Arab Health 2019

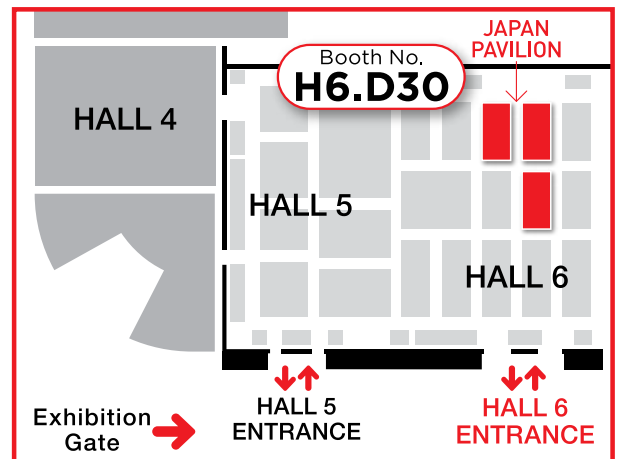

28-31 January 2019

Dubai International Convention and Exhibition Center, Dubai, UAE

# “Japanese Quality”

JETRO (Japan External Trade Organization) is a government-related organization that works to promote mutual trade and investment between Japan and the rest of the world.

JETRO has invited Japanese leading medical product manufacturers producing high quality, uniquely design products to participate in Arab Health 2019. All of these products are made with “Japanese Quality” such as accuracy, preciseness, and convenience, which provide the safety and comfort for all the patients. Please visit the Japan Pavilion to see these leading-edge medical products.

# NMG Modular Design-Build Turnkey Solutions

*Creating a Future Proof Healing Environment*

As Technology begins to play a larger role in patient delivery, healthcare facilities must be designed with adaptability in mind.

The continuous change in the healthcare industry, driven by technological advancements, requires healthcare operators to constantly reinvent their facilities.

**NMG** has established itself as the leading force in designing, building and furnishing highly functional, flexible, and sustainable healthcare facilities with focus on operational efficiency, as well as creating a healing environment, promoting enhanced well-being for patients, families, and caregivers alike.

[www.nmg.us.com](http://www.nmg.us.com)

## OLYMPUS HAS BROKEN A NEW GROUND IN ENDOSCOPY!

With ultra-high magnification up to 520x magnification ratio which allows direct observation of cells and nuclei in real-time.

## nCare

nCare is a connected medical recorder that captures Full HD images and videos from up to two surgical devices simultaneously.

nCare **easily, reliably,** and **securely** connects clinicians with the critical visual information they need at anytime. The user friendly solution can fit nearly anywhere, from an endoscopic cart to an equipment boom.

**Exhibitors  
by product  
category.**

Infection Control Division is the biggest divisions in SHINVA which is focusing on washing, disinfection and sterilization for more than 40 years. As China's disinfection sterilization equipment research center, SHINVA is the unique company which can supply turn-key CSSD project and integrated solutions including design, engineering, decoration, equipment, consumables, management software and service, etc. Until now, SHINVA has completed more than 5000 CSSD projects in the whole country taking 50% market shares. For international market, SHINVA's products have been launched over 100 countries or regions in the world.

Please visit us at stand S1.F59

## 7 Integrated Solutions in Infection Control Field

## Series Product 15

**1** High temperature sterilization equipment

**2** Low temperature sterilization equipment

**3** Washing and disinfection equipment

**4** Endoscope washing and disinfection equipment

**5** Baby bath products

**6** Inpatient area washing and disinfection equipment

**7** Medical drying equipment

**8** CSSD furniture and logistics products

**9** CSSD tracking manage software

**10** Engineering project

**11** Chemical monitoring products

**12** Washing and lubricating products

**13** Packing material products

**14** Disposable sterile operation kits

**15** Disinfectant products

## Solutions built to treat, manage, and power new cancer-fighting victories.

From advanced data analytics to integrated software to intelligent treatment delivery, our full spectrum of oncology solutions is inspiring new victories in the fight against cancer—today, and well into the future.

See what our oncology-focused ecosystem can do for you, visit:  
[Varian.com](https://www.varian.com) and ArabHealth 2019 Booth #S1-C30.

Safety information: Radiation may cause side effects and may not be appropriate for all cancers.

# TRANSFORMING HEALTHCARE SERVICES FOR THE WORLD

For more than a decade, VPS Healthcare has been striving to redefine the world of healthcare through innovation and compassion. Today, the group is one of the fastest growing healthcare conglomerates in the Gulf and India, with a vast network that transcends international boundaries. In order to deliver quality healthcare services, the group relies on a sustainable eco-system that encompasses all aspects of healthcare which includes hospitals, clinics, pharmaceuticals, global patient care services and education. It is this holistic approach to healthcare that helps VPS Healthcare create a world full of smiles for everyone.
