As the LARGEST cleaning industry event in Asia, the 27th China Clean Expo (CCE) continues to establish itself as a premier platform for cleaning professionals from around the globe. Being an essential part of Hotel & Shop Plus, China's leading exhibition for the hospitality and commercial space sectors, CCE 2025 welcomed over 480 exhibitors from home and abroad, showcasing cutting-edge cleaning products, equipment, and tailored solutions for hotels, commercial facilities, offices, and public spaces.

CCE 2026 – A New Journey of Innovation

In 2026, CCE will enhance its offerings by leveraging resources in property management, healthcare logistics, environmental sanitation, smart cleaning, indoor environments, and laundry services. We will host forums, competitions, live demonstrations, and award gala to foster a dynamic CLEAN+ ecosystem, attracting professionals from commercial real estate, hotels, public spaces, sanitation, property management, and industrial sectors.

2025 Facts & Figures

► Visitor Industrial Distribution

► Visiting Purposes

► Message from Association Leader

Lauren Micallef, Oceania & Asia Pacific Manager, ISSA

"It was an honor to be part of the international body representing ISSA at CCE, as we addressed developments and trends taking place across various global markets. Throughout the event there was a real buzz across the expo show floor as well as within the seminar sessions. It was great to see the enthusiasm and drive surrounding core themes from innovation and technology to sustainability and cleaner, healthier built environments."

► Exhibitor Testimonials

Kaiyun Yang, GM, Nilfisk Greater China

"Nilfisk thanks the organizers for a seamless event and all visitors for their warm engagement. It was a great opportunity to showcase our intelligent, efficient, and sustainable solutions and connect with industry peers. We look forward to lasting collaborations and reuniting at CCE 2026!"

Rongfei Chen, Marketing Director, ICE Cobotics

"CCE 2025 once again demonstrated its role as a leading platform for innovation and industry exchange, driving integration and green, low-carbon progress. We look forward to CCE continuing to gather smart solutions and advance cleaning technology."

► Visitor Testimonials

Alexander Bobrov, Chief Financial Officer, Premium Service LLC

"I would like to extend our sincere gratitude for the CCE show. The exhibition was immensely fruitful for us. We not only successfully established partnerships with many Chinese companies but also gained valuable insights into advanced cleaning equipment that meets our operational needs. The professionalism and thoughtful organization of the event left a deep impression on our delegation. In light of the positive outcomes from this event, we have decided to continue supporting and participating the future CCE."

Minsheng Zhu, Vice President, Jiangsu Civil Rehabilitation Hospital

"The concluded CCE showcased transformative integration of cleaning tech and healthcare ecosystems. Honored to co-host its forums, we witnessed global leaders spotlight intelligent sanitation and waste innovations driving greener medical spaces. CCE's focus on hospital infrastructure, environmental quality, and patient safety cements its role in advancing medical logistics and environmental services."

China Cleaning Skills Competition

The event is designed to showcases top talent in the cleaning industry through a series of competitive events, including glass cleaning, carpet washing, floor scrubber operation, smart cleaning equipment operation, air conditioner cleaning, and air quality management etc. These competitions offer a platform for professionals to compete, learn, and innovate. Join us to witness the mastery and precision that define excellence in the cleaning industry.

CCE Seminar Tour

Running since 2002, the CCE Seminar Tour has reached 29 cities across China, covering East, North, South, Southwest, and Northwest regions. As key pre-show events, these seminars combine online and offline engagement to create a powerful marketing platform for exhibitors. Focused on local market needs, they offer industry professionals practical solutions, cutting-edge insights, and trend forecasts — strengthening connections and driving business growth.

Golden Diamond & Golden Palace Award Ceremony

The award ceremony celebrates the pinnacle of excellence in the cleaning industry. This prestigious event brings together industry elites from commercial property owners, hotel management firms, property and facility management companies, contract cleaning services, cleaning product manufacturers, and real estate developers. Attendees gather to honor outstanding achievements and witness the "highlight" moments that define our industry's progress and innovation.
