

International Medical Travel Exhibition and Conference

THE REGION'S PREMIER INBOUND AND OUTBOUND MEDICAL TRAVEL SHOW

2016 POST SHOW REPORT

“We believe IMTEC 2016 was a truly distinctive event for the medical tourism community in the region.

The objective of the event is to show how different industries such as Insurance, medical facilitators and centers of excellence can work together and even use each other's expertise to improve patient travel and tourism.”

+ EVENT BRIEF

The 4th edition of **International Medical Travel Exhibition & Conference (IMTEC)** took place from **9 – 10 October 2016** at the Dubai International Exhibition and Convention Centre, hosting **100 exhibitors** and gathering more than **2,500 high-level healthcare professionals**, medical travel specialists and governmental officials from around **80 countries** across the globe.

The exhibition has once again proven to be the perfect platform to meet with Commissioners of Medical Travel (CMT). IMTEC hosted more than **90 CMTs** from the **Middle East, Africa, Europe, CIS, Asia** and **America**. With the new addition of the Business Matchmaking Program, **1320** meetings were scheduled between exhibitors and CMT's during the two day event.

The 2017 edition of IMTEC will continue to provide a perfect platform for hospital groups, medical travel organizations and health services companies to increase their global presence and international patient network.

Benefit from the upsurge in the medical tourism industry and reap the rewards of unparalleled exposure to key decision makers from the industry.

Be a part of the world's only medical travel event for the global market from 9-10 October, 2017, at the Dubai International Convention and Exhibition Centre, UAE

✚ VISITOR BREAKDOWN BY REGION

“I think this event is amazing and you should even consider running it twice a year. Dubai is the ideal place to bring East and West together. I have been to exhibitions in other places where I did not meet such a variety of international companies. I enjoyed my visit and all the meetings that I had.”

“The organisation was really good! the meetings system is great; in fact, the best I have ever seen. We also scheduled meetings with other exhibitors and it was difficult to find a time when both parties were not busy! I can already tell you that some of these meetings will also turn into business, we had some very fruitful contacts.”

+ CMT FEEDBACK

A Commissioner of Medical Travel (CMT) is an individual responsible for transferring patients from one country to another for medical treatment. CMTs are typically representatives of government, insurance, armed forces, travel industries and patient transfer and facilitation services.

The CMT Programme sets IMTEC apart from other medical travel events as it ensures exhibitors receive substantial networking opportunities with qualified investors in overseas patient care.

IMTEC welcomed more than 90 CMTs from across the Europe, America, Middle East, Africa, Asia and CIS countries.

Through the online business matchmaking software at IMTEC, a total of 1,237 meeting requests were scheduled between CMTs' and exhibitors.

+ MASTERCLASS

International Medical Travel Exhibition & Conference - IMTEC hosted free to attend masterclass sessions which took place alongside the exhibition.

These sessions were led by key business leaders who provided both strategic insight and tactical advice on how different stakeholders in the industry can benefit from the upsurge in medical travel and tourism.

- Centres of excellence: Sheikh Khalifa Specialty Hospital
- Trends in Online Marketing for Healthcare Providers
- IMTJ: Delivering an outstanding international patient experience
- Is a relationship possible between insurance and medical travel?
