What our participants had to say...

"My experience at the virtual edition of Medlab Asia and Asia Health was amazing. I couldn't imagine attending an international convention online, but it was great."

Maria Teresa Blanco - Abuy
RN, Infection Control Officer,
St. Luke's Medical Center, Quezon City, Philippines

"A huge thanks to Medlab Asia for their initiative and commitment for connecting the healthcare industry in the ASEAN region which provides us an opportunity to meet regional healthcare professionals and further explore business options."

Morris James
Proprietor, Morris & Company,
Healthcare products and solutions

"Congratulations to the Medlab Asia & Asia Health team, it's been a fantastic experience and all the sessions I attended were very informative."

Rahijah Abd Rahman
Hon Secretary, Malaysian Sterile,
Service Association (MSSA)

"My overall experience has been beyond my expectations. The networking, learning and the overall performance in the sessions has been great."

Chinenye Duru
Nutritionist, Ducho Nutrition Services
